Chorus

Oh oh oh
Oh God please keep me far away from this snare
Oh, oh oh, oh oh oh
I come before you with my tears and my prayers
Oh oh oh, oh oh
If only I could never drift away, from your ways
Oh oh oh, oh oh

Bridge

If I would ever be in this situation that I can't flee
I could never dare to end this life in me
I know you forgive all our sins if we repent
But why would I want to live with a choice that I regret

Chorus

Oh oh oh
Oh God please keep me far away from this snare
Oh, oh oh, oh oh oh
I come before you with my tears and my prayers
Oh oh oh, oh oh
If only I could never drift away, from your ways
Oh oh oh, oh oh
It would shelter me from all my mistakes
