

# I can't make it on my own [Capo 2 Am, 106 bpm]

[Jeremie Tremblay]

Intro, V×2, PC, C, B, C, E

## Intro

Am Em Dm G Em X2

## Verse 1

Am Em I am just a Grain of sand  
Dm G Em Am Among all the other ones laying on the seashore  
Em Dm And I am just the smallest star  
G Em Am Trying to be a light around me but I'm not shining far  
Em Dm When I'm alone  
G Em Am Trying to be a light around me but I'm not shining far  
Em Dm G Em When I'm alone

## Verse 1-1

Am Em How could I think I know it all  
Dm G Em Am It would lead me to a place where I would stumble and fall  
Em Why wouldn't I listen with an open mind  
Dm G Em Am Em Dm G Em Perhaps it could open eyes to something; I was blind

## Verse 2

Am Em Dm My mind is blown away  
G Em Am How quick we all forget and have gone astray  
Em Dm Hmmm hmmm hmmm hmmm  
G Em Am Each one of us has turned to his own ways  
Em Dm G Em And disobeyed

## Verse 2-1

Am Em Walking down the path of life  
Dm G Em Am Every day is a test until our final breath  
Em You can judge me for what I am doing  
Dm G Em Am Em Dm G Em but I'm working out my salvation with fear and trembling

# I can't make it on my own - Intro, V×2, PC, C, B, C, E

## PreChorus

**Am** I try to find my way home **Em**  
**Dm** Navigating this world searching where I belong **Em**  
**Am** My heart is crying out **Em**  
**Dm** I can't make it home on my own **Em**

## Chorus

**F** But through Your blood shed for me I am redeemed I am set free **Am**  
**F** Your blood paid the price giving access to eternal life **Am**

## Bridge

**F** Yeshua By laying down your life for me **Am**  
**G** You gave a whole new sense to my journey **Am**  
**F** Now I'm comforted when I walk in your commandments **Am**  
**G** Because you are there for me when I fall and repent **Am**

## Chorus

**F** Your blood shed for me I am redeemed I am set free **Am**  
**F** Your blood paid the price giving access to eternal life **Am**

## Ending

**F** Because your blood was shed for me **Am**  
**G** I will obey you because I love you **Am**
