Am F C G

Verse 1

```
Am              C      G       F           Am
Who will you choose In this generation
                   C      G         F            Am
Who will you choose From among the nations
                 C                G
It's total confusion total delusion
       F                          Am
So profound the world turned upside-down
                 C                G
No hope without you nowhere to go to
            F         G      Am
wrong is right and lies are truth
```

Chorus

```
        C        G
BO Yeshua Hamashiach
     F        G         Am
Come back and deliver us
        C        G
BO Yeshua Hamashiach
        F               G             Am   C
We will serve you no matter the cost
              G       F-G
No matter the cost (first time only)
```

Verse 2

```
Am   C    G         F                    Am
Now please if we have found favor in your sight
              C  G          F                  Am
Show us your ways and give us discernment in these days
                 C                  G
It's total corruption total deception
          F                       Am
I can't believe the world got hypnotized
                 C                  G
No hope without you nowhere to go to
            F         G      Am
wrong is right and lies are truth
```

Chorus X2

Bridge
```
Am                            F
And on our knees here we are and we believe
        C             G
that we will see your glory
        Am                            F
We will stand until the end and not bow down to any men
          C                   G
you're the king of kings and we will sing
```

Chorus
```
          Am      F
oooh oooh Bo Yeshua
C             G
come back and deliver us
          Am      F
oooh oooh Bo Yeshua
C             G             Am
we will serve you no matter the cost
```
