

What Voice? (Poem)

By: Brad Saunders 10-27-2023

What is the voice
A person hears in their head?
A voice from the Heavens?
Or for the spiritually dead?

How can we discern
What voices we hear?
Discern good from evil
Test spirits coming near.

Stay focused stay focused
YAH's Voice we must hear
Not the voice of the world
As they cause us to fear

Theres only one way
When a spirit we measure
Not the path that is easy
Bringing all fleshly pleasure

The Voice that speaks Truth
To our flesh will cause fear
But YAH's Spirit in us
Can still make us draw near.

Stay focused stay focused
YAH's Voice we must hear
Not the voice of the world
As they cause us to fear

If the voice that we hear
disagrees with YAH's Law
It's that voice we must flee
Not approach it in awe.

One voice leads to Life
Other voices waste breath
The One Voice is YAH's Spirit
All other voices are death

Stay focused stay focused
YAH's Voice we must hear
Not the voice of the world
As they cause us to fear
